

HR Pulse 7 | June 2021

How are you implementing the Future of Work?

Reshape and Optimize
Your Workforce for the Future

AON

1,450
companies told
us how they are
implementing the
Future of Work.

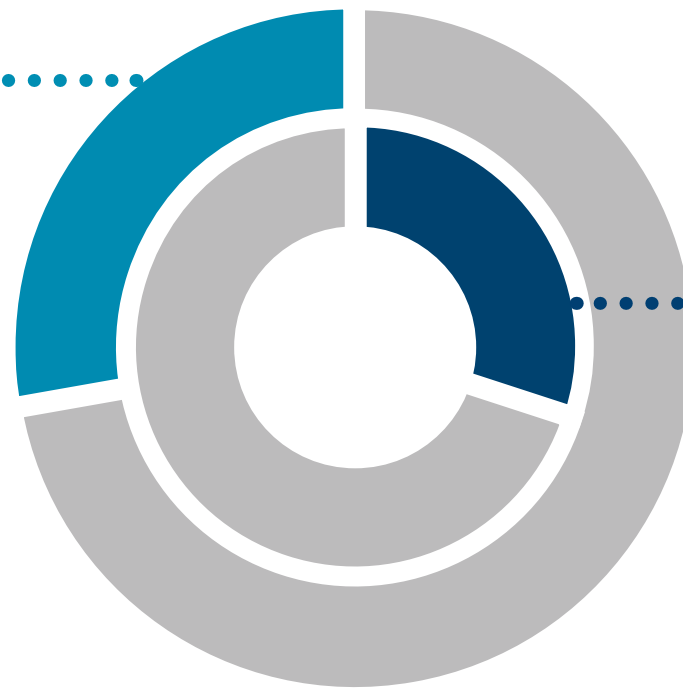

Source: Global HR Pulse Survey #7: Preparing For the Future: How COVID-19 is Changing How and Where People Work Forever, conducted from April 20 to April 28, 2021 with 1,451 respondents across the globe.

**The biggest
focus areas
are...**

Attracting and retaining talent

Companies need to attract, develop and retain talent with future skills. Reskilling is an effective way to build the workforce for the future.

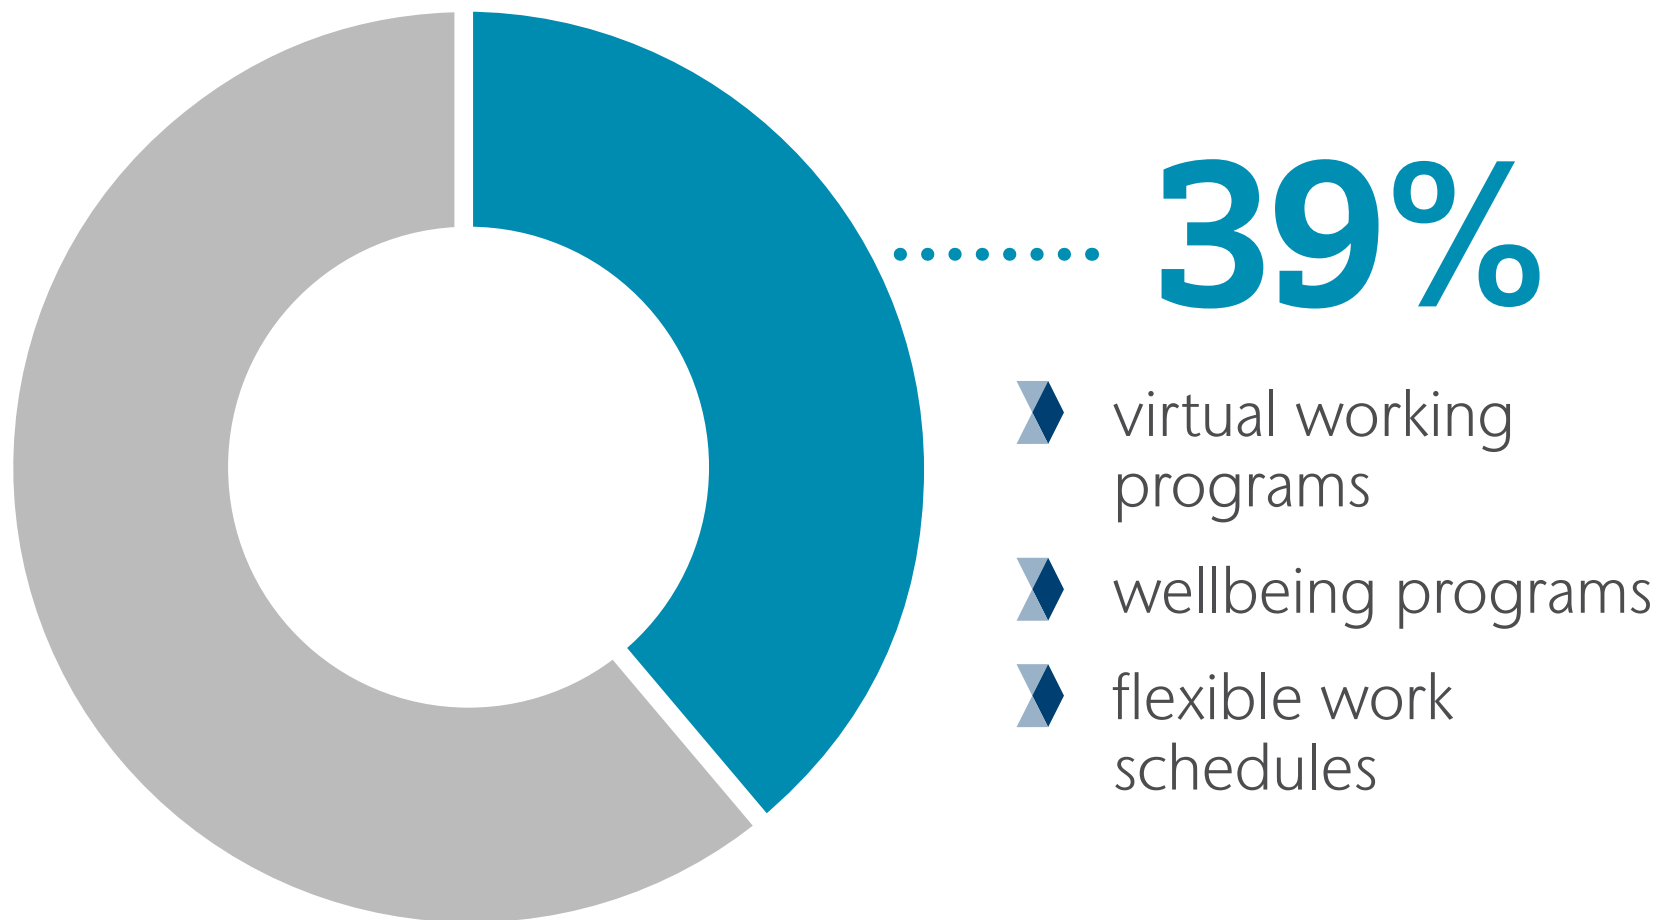

28%
are already
implementing
new initiatives

30%
are planning
new initiatives

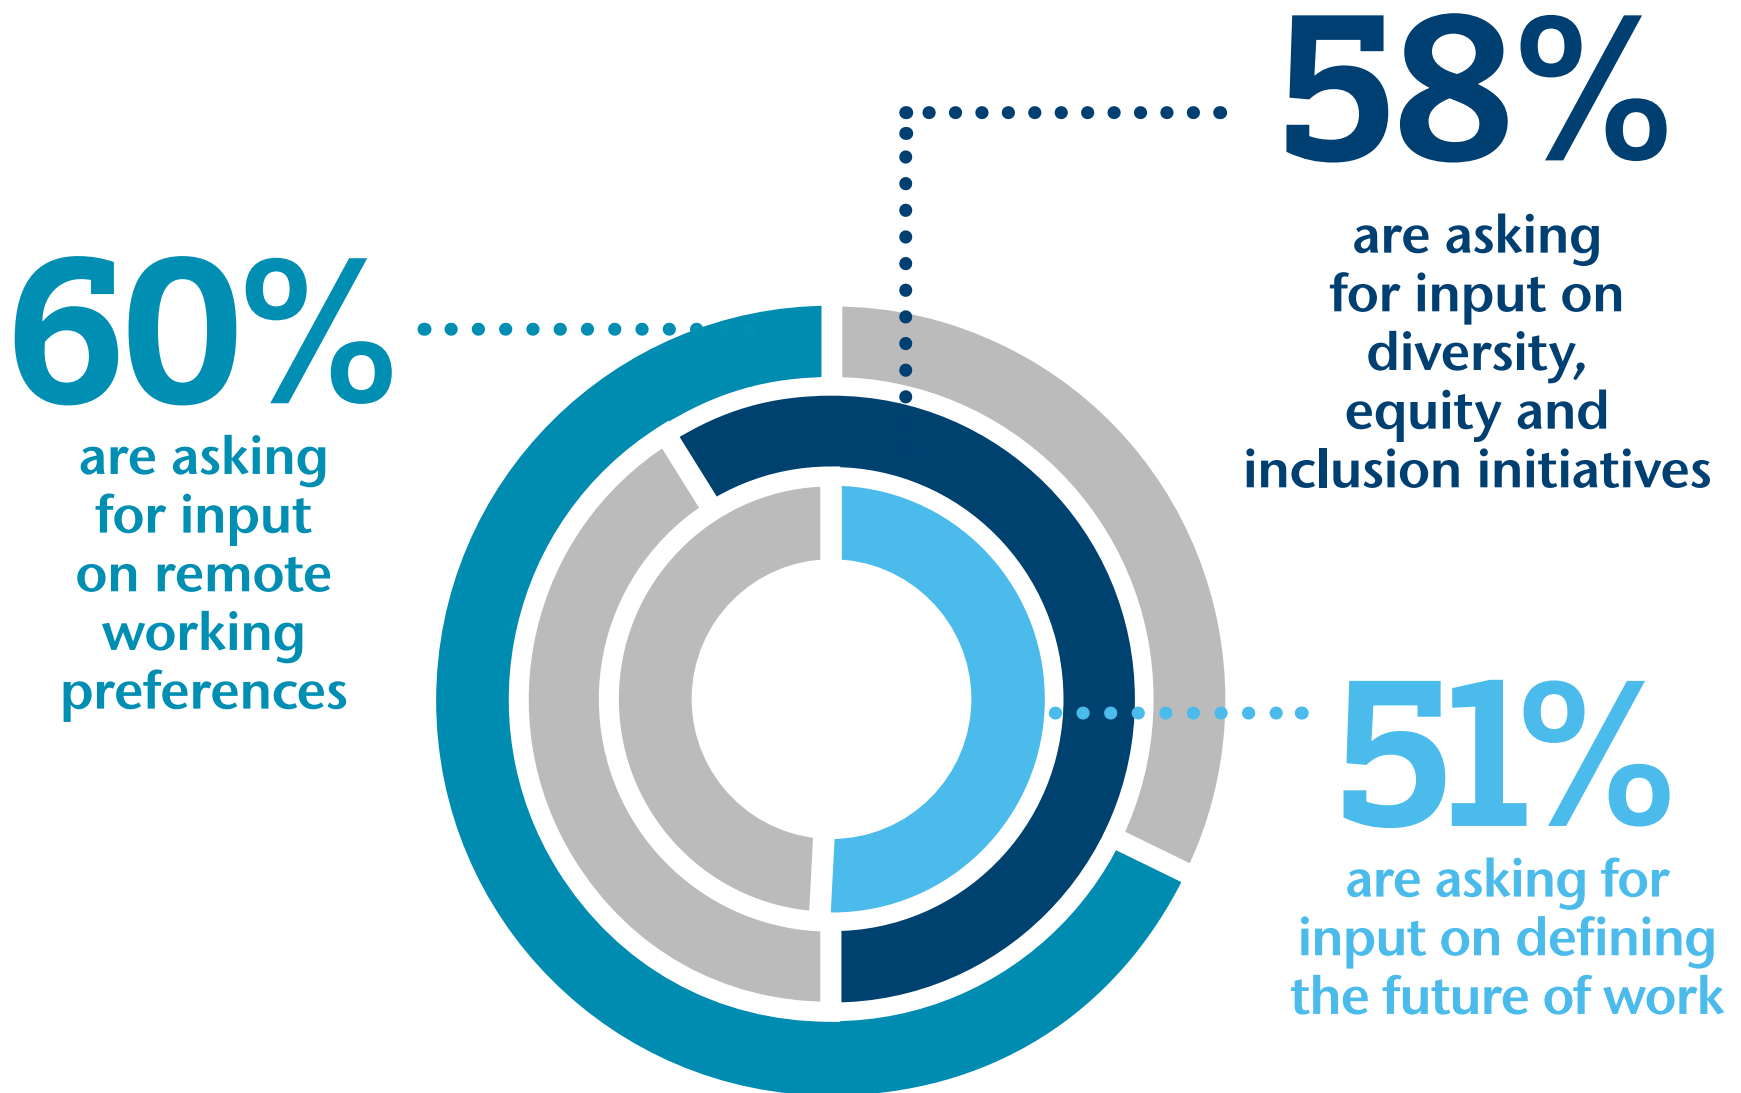

Building workforce agility

Leading companies have already implemented programs to build workforce agility and resilience:

Employee opinions matter

Companies are becoming more employee centric, asking employees to contribute on an increasing range of matters.

Aon can help you implement the future of work.
