## Survey Pricing, Access and Support

Fees for the Radford Global Technology Survey vary based on your benchmarking goals. The key factors impacting price are the number of countries where you operate, the number of countries where you plan to utilize data, and your overall employee headcount. Discounted pricing is available for multi-product packages (e.g., purchasing the Radford Global Technology Survey and the Radford Global Sales Survey).

All subscriptions to the Radford Global Technology Survey include 24/7 access to the Radford Network®, our online survey reporting environment. This puts survey results, input resources, and market insights in reach at all times for an unlimited number of company-employed staff. Additionally, all survey clients are assigned a dedicated Survey Consultant to support them during the survey input and data review process. This consultant remains your contact for training and custom reporting questions.
